

Tennis

Enjoy
tennis all year long

Enjoy tennis all year long What an opportunity. You can enjoy your game under sunny skies for more than 300 days a year.

Court conditions are excellent and usually groomed before each match. As well you will have a ball collector who remains with you during your match.

Facilities are so good that many international clubs come here to practice before major competitions and tournaments.

Most hotels have tennis courts, and several offer facilities that are the same size as major clubs. At the city center the municipal club has 15 clay courts, several of which have night lighting.

Customized service

At most hotels and resorts, access to tennis courts is usually included in the price of you package..

Simply ask at the front desk about the particular arrangements. You can reserve by the hour, day or week at most hotels and clubs. Tennis clubs offer a full range of services:

- Racket rentals, sale of balls and other tennis and record keeping items are available for both players and trainers at reasonable prices.
- Tennis school for youth.
- Tennis for adults.
- Tournaments and competitions.
- Organization of tournaments and competitions.
- Club house.
